4. The complete bidding process will be on line.
5. Technical bids of bidders shall be opened on line in the office of Chief Engineer Civil Investigation & Design Wing 18-C/C Gandhi Nagar Jammu on 16-05-2018 at 1000 hrs.
6. Bid documents can be seen at and downloaded from the website [www.jktender.gov.in](http://www.jktender.gov.in) bid documents contain qualifying criteria for bidder, specifications, bill of quantities, conditions and other details.
7. The site for the work is available.
8. Work approved for the 2018-19 and Funds demanded.
9. Bids must be accompanied by cost of tender documents & bid security (EMD) as specified in col. 5&6 of the table payable at Jammu in favour of CP & AO, PDC Jammu. Bid security will have to be in any one of the forms as specified in the bidding documents and shall have to be valid for one year or more after last date of receipt of bid. The cost of downloaded tender documents in form of DD shall be in separate envelop with cover marking cost of document.
10. The original instruments in respect of cost of documents, EMD and relevant technical/Financial bid documents etc must be delivered to the Chief Engineer CI&D Wing 18 C/C Gandhi Nagar Jammu on or before 15-05-2018 up to 1300 Hrs if the office happens to be closed on the date of receipt as specified, will be received on the next working day at the same time and venue.
11. Financial Bids of technically responsive bidders will be opened on 19-05-2018 at 1000 Hrs in the office of Chief Engineer CI&D Wing PDC 18 C/C Gandhi Nagar Jammu and the date of opening of financial bid shall be communicated to the bidders. If the office happens to be closed on the date of opening of the bids as specified, the bids will be opened on next working day at the same time and venue.

12. The bid for the work shall remain open for acceptance for a period of 90 days from the date of opening of bids if any bidder / tenderer withdraw his bid/tender before the said period or makes any modifications in the terms and conditions of the bid, the said earnest money shall stand forfeited.

13. Other details can be seen in the bidding documents.

14. A certificate from the concerned Authority / Executive Engineer should be enclosed in the Technical bid to the effect that the tenderer have executed at least one civil work to the tune of not less than 50% of the advertised cost of the work in any one of last three years.

15. The tenderer should have achieved financial turnover of at least 50% of the advertised amount of the work in one year for the consecutive last Two years, evidence to be enclosed in technical bid.

16. The contractor/firm shall have to execute agreement with department within seven days from issuance of allotment order. Failure of contractor to execute the agreement shall not however prevent the contract being enforced against him.

17. All conditions laid down in PWD Form 25 (Double) and special conditions mentioned herein along with instructions shall apply and govern the contract. These will finally form part of agreement for the work and bind the tenderers.

18. In case of work under tender, tenderers must quote item rate only, in the Rate List / BOQ.

19. Any item of work need to be executed at site of work (other than advertised/ allotted) and not covered under SSR 2012 shall be analyzed on prevalent market rates in the vicinity approved by the Chief Engineer and paid accordingly.

20. Any item of work need to be executed at site of work (other than advertised / allotted) but covered under SSR-2012 shall be paid on the rates envisaged in SSR -2012 for the said item with over all appreciation / depreciation quoted by the contractor.

21. The quantities of various items of the work given in the tender document may increase or decrease up to 25%. The above specified variation in quantities of items of work to be executed cannot and shall not form basis of dispute regarding the rates to be paid for or giving rise to any claim for Compensation on any account. Such variation shall also form part of contract and not invalidate the contract.

22. The Engineer in-charge may without invalidating the contract and without notice to the contractor, require the contractor to perform extra items or quantities of work not included in the Schedule of quantities and rates make changes in proposals/ specifications within the general scope of contract or otherwise vary the work. The contractor shall perform changes and variations in the manner and to the extent specified in written orders approved by the Engineer-in-charge such items of work shall be paid as per the tendered rate / rates as envisaged above.

23. All taxes in vogue during the contract period shall be deducted at source from the bills of the contractor / firm and any increase or decrease shall be affected accordingly in the bill. No variation of any sort shall be paid whatsoever.

24. Any loss or damage to work due to natural calamity or any other reason during execution of work shall borne by the contractor.
25. If after opening of tenders, it is found that the rates quoted by the lowest tenderer are less than the advertised amount, the contractor shall have to provide additional security of 05% of the tendered amount in shape of the FDR/CDR pledged to CP & AO, PDC Jammu which shall be released after the completion of the work.

26. 10% amount of the running bills due to contractor during execution of work shall be retained as retention money and shall be released only after satisfactory completion of work and removal of defects if any and after conducting necessary repairs to the satisfaction of Engineer in charge and not earlier than 06 months from the date of satisfactory completion of work. In case of failure on part of contractor to remove defects or conduct repairs within stipulated period, the same shall be got removed or rectified by the department and its cost shall be recovered from retention money / performance guarantee.

27. Any typographical error in respect of nomenclature/rates, the same shall be corrected and paid as per S.S.R 2012.

28. In case of firm / contractor fails to start the work within the stipulated time, a registered notice shall be sent through special messenger to the firm / contractor or notice through e-mail for non-start of the work that amounts to the breach of the contract and will be sufficient to windup or cancel his contract and CDR will be forfeited without any information.

29. Tenderers should study drawing, specifications and local conditions of work at site. It will be presumed that the tenderers have visited the site of work and tenders are based on full knowledge of working conditions prevailing at site, availability of material, water, electricity, labour, transportation facilities, probable site for labour camp and store go downs and all factors involved in execution of work.

30. If the successful tenderer/contractor do not execute any item of work felt necessary at site, the same shall be executed by the department on the risk and cost of the contractor/ firm. The amount of the work shall be deducted from 10% deposit deducted from the bills by the Corporation.

31. The earnest money shall be forfeited without prejudice to the right and remedies available to the corporation in the event of tenderer failing to keep his tender valid and open for acceptance for and during the period of 90 days reckoned from the date of opening of tenders and or to execute a formal instrument of agreement governing the contract.

32. The tenderers are required to state their address fully including their e-mail id and correctly in their tenders. All notices, communications and references shall have been deemed as having been delivered within seven days from the date of these notices are sent by India Post or through Courier Services or e-mail by the department. Receipts issued by India Post/Courier Services shall be deemed as sufficient proof for due dispatch of all such communications.

33. The Engineer-in-charge may from time to time, by directions in writing and without in any way invalidating the contract, order the contractor to suspend the work or any part thereof at such time or times and for such reasons as he may consider necessary and contractor shall not after such directions to suspend the work or any part thereof, proceed and be entitled to any claim for compensation on this account.

34. In event of such suspension, the Chief Engineer may under the provisions of the contract extend the time of completion of the work or part thereof, by such period as he may consider reasonable. The decision of the Chief Engineer CID Wing Jammu in the matter shall be final. If further part or whole work is required to be postponed due to the reasons beyond control of the Corporation, the contractor shall be bound to execute the work at the same rates and conditions up to one year from the date of postponement.
35. The Contractor shall have sole responsibility for supervision of the work and of all workmen engaged therein. He shall be personally responsible for any casualty / eventuality, accident during the contract period.

36. Chief Engineer CI&D Wing PDC Jammu’s decision shall be final in case of any dispute particularly regarding the rates or interpretation of conditions between the Engineer-in-charge and the contractor and will be binding upon the contractor.

37. If any dispute arises out of or in connection with the terms and conditions of this contract or as to the interpretation thereof or as to conformity of the work with plan, specifications and measurements etc the same shall be settled by the Arbitration Act of Jammu & Kashmir State under J&K Jurisdiction.

38. The Corporation reserves the right to itself to cancel any tender without assigning any reason whatsoever.

**Instructions to the bidder regarding e-tendering process.**
