INVITATION OF BIDS

The J&K Power Development Corporation (**Client**) intends to implement 40 MW*Kishanganga-II Hydro Project (HEP) in District Bandipora of Union Territory of Jammu & Kashmir. **The capacity is indicative. The DPR has to be made based on actual potential of the site, while keeping in view the requirements of drinking water, Irrigation and environment.*

To prepare DPR for the above project and complete tendering process for selection of a contractor, the Client intends to engage the services of a reputed consultancy company/organization/firm/association, registered under the relevant laws, having requisite previous experience of preparing DPR for hydro power projects which shall include but not be limited to:

1. Preparation of DPR as per the CEA/ CWC/ GSI/ MNRE/ AHEC guidelines, including carrying out all requisite site investigations. The structure of DPR/ details to be included in the chapters of the DPR must be in line with the latest guidelines in vogue for preparation of DPR for Hydro power electric schemes, their acceptance and concurrence, issued by CEA, MoP.
2. Providing assistance to JKPDC in getting all necessary clearances, including TEC from CEA, if necessary (other than land acquisition/forest clearance) from respective authorities.
3. Preparation of detailed tender documents including pre-qualification criteria as per guidelines issued by Ministry of Finance/CVC and recommendations of CEA/ CWC, detailed technical specifications, employer's requirement for engagement of a contractor either on two packages (Civil/Hydro mechanical and Electro Mechanical) with interfacing among contractors or single package based on FIDIC yellow book.
4. Providing assistance during bidding process for selection of a contractor including pre-bid conference, preparation of pre-bid replies, evaluation of technical bids, preparation and submission of technical bid evaluation report, evaluation of price bids and submission of price bid evaluation report and all related activities till final award of the contracts to the successful bidders for construction of the project.
5. Attending meetings/ making presentations before the Client, for the said assignment.

6. To represent JKPDC before statutory bodies as and when required.

The assignment shall be implemented in two phases (Phase I comprises of activities pertaining to preparation of DPR including obtaining clearances from statutory bodies and phase II pertains to activities pertaining to preparation of tender document for selection of contractor till signing of contract between JKPDC and the contractor for implementation of the proposed scheme). In case commencement of phase II is delayed by 12 months from the date of signing of the Contract, the parties will mutually decide about further course of action. In case deemed necessary by the Client, the Client can terminate the contract, before commencement of phase II, without any liability accruing to either party under Phase II.

Accordingly, bids are invited through e-tenders from bidders who comply and satisfy eligibility criteria given in the detailed "Letter of Invitation".
